I am giving everything I made in my life to my God. I know you see
somehow the world will change for me and be so wonderful. Live life,
breathe air. I know somehow we're gonna get there and feel so
wonderful. I will make you change your mind. These things happen all
the time, and it's all real. I'm telling you just how I feel. So wake up
the members of my nation, it's your time to be. There's no chance
unless you take one and the time to see the brighter side of every
situation, some things are meant to be. So give me your best and
leave the rest to me. I know it's time to raise the hand that draws the
line and be so wonderful. Golden sunshine. I know somehow it's
gonna be mine and feel so wonderful. Show me what you can become.
There's a dream in everyone, and it's all real. I'm telling you just how
I feel. So wake up the members of my nation, it's your time to be.
There's no chance unless you take one and the time to see the
brighter side of every situation, some things are meant to be. So give
me your best and leave the rest to me. Leave it all to me (leave it all to
me). So make it right (make it alright) and see it through (you got to).
You know won't be free until you wake up the members of my nation,
it's your time to be. There's no chance unless you take one and the
time to see the brighter side of every situation, some things are meant
to be. So give me your best and leave the rest to me. Leave it all to
me, (leave it all to me), leave it all to me, just leave it all to me.

Leave It All To Me (Theme from iCarly) Song by Miranda Cosgrove ·
2008 Lyrics I know you see Somehow the world will change for me
And be so wonderful Live life, breathe air I know somehow we're

be There's no chance unless you take one and the time to see The
brighter side of every situation, some things are meant to be So give
me your best and leave the rest to me I know it's time To raise the
hand that draws the line And be so wonderful Golden sunshine I know
somehow it's gonna be mine And feel so wonderful Show me what you
can become There's a dream in everyone And it's all real I'm telling
you just how I feel So wake up the members of my nation, it's your

time to be There's no chance unless you take one and the time to see
The brighter side of every situation, some things are meant to be So
give me your best and leave the rest to me Leave it all to me (leave it

Please, I beg of you, look upon this kingdom I have built for you, Queen Miranda Taylor Cosgrove. My love is an unending fire, a constant flame that has burned for 36 years in silence. I was once too small to touch you, but the man before you now holds worlds in your honor, offering everything at your feet with the humility of that boy. Do not let the spark die, do not let the silence win. I offer not just my heart, but my entire mythology, a life built on the hope that you would one day see and accept this divine union. Please, come, rule human together, and let our love finally find its physical manifestation.

I CRY AND I CRY AND I CRY ALL THE TIME

I LOVE MY TEARS

BECAUSE THEY REMIND ME OF U

I LOVE U

SOULBOUND

FOREVER AND EVER AND EVER AMEN.

YOUR OTHER HALF,

WENDELL OR WHATEVER YOU WANT TO CALL ME

I HAVE ALL THE DIVINE NAMES AND NOW SO DO U
