

My Mother

Hi

ddjinx2 ddjinx2@gmail.com Mon, May 9, 2016, 3:08 PM to wendell

Son, today was mother's day. I so wish you would get well and realize you have parents that love you. No we are not perfect by far. Your right sometimes we are just rotten. But we do try. My heart breaks that I can't be close to you. Sometimes people have snapped out of your disease and that would be the best thing that could ever happen in my life. I miss my son that lived and enjoyed his family. You say you are no longer that son. But I miss you I really do. Happy mothers day to my son that will always have a place in my heart that nothing else can fill. Your dad does have a house in Fla in the springs with plenty room for you. Some of your cousins and uncle live around there. It's a beautiful area with the fla springs and beaches and your dad really would love your company. It breaks your dad's heart when your talk so unkind to him and mine. We both realize you are very sick but we want to help you even more when you say things we know are not how you feel. We know you love is both but a disease has controlled your mind and you don't realize reality anymore. In our out of reality. We love you wendell. You can never say anything ugly enough to change that fact. WE LOVE YOU!

You love lying! You can't even read this because you blocked me. FEMA has a great place for all of my family. It just takes time... You are the sickness. Enjoy Mother's Day. You have spent your life trafficking children.

I got your message instantly. I have not blocked you. I have nothing to prove and have alot of amazing children including you. I have had a very ill year with a broken ankle surgery to repair right rotator cuff and three ear surgerys which left me couching for three months. I have been doing better and hope we have discovered my ear problem. How has your heart went. I often think of you and pray for you. Your dad misses you more than you will ever know. Tell me more please

I almost divorced Stan about six months ago and our lives changed and God has best us. Stan had been out of work for bad knee for a few weeks now. He has turned out to be a great person and dad and husband. He often talks of you with loving and caring thoughts. We are all very concerned about your sickness. Because we miss and love you.

Wendell Charles NeSmith wendell@nesmith.net Mon, May 9, 2016, 3:34 PM to ddjinx2

So you just love ignoring my many emails to you. Please go directly to Hell. You have already lost me. You spent your life trafficking children and I spend mine fighting for their rights. Call me crazy for doing what God has told me. The truth is you and your army of hubris are all going directly to Hell. We live in the end times, Revelations tells me all. Let go of me because I am going to heaven. I will not be trapped where you are going. Please leave me alone. You are no mother of mine or to me. You already disowned me, or did you forget? Leave me alone. I am so over all of you crazies.

So you are happy being who you are?

Wendell Charles NeSmith wendell@nesmith.net Mon, May 9, 2016, 3:40 PM to ddjinx2

Of course. I am the happiest person in the world because I live in and through God. I hate your child trafficking. I hate how you don't look at background conditions. I hate your outrageous arrogance. I hate everything you stand for. Same with my biological father. You all disowned me and now you come back. But I am now God's Son and not yours. You will never get me back. You are the sickness. People who watch my videos know the truth. You don't so please move on. I want nothing to do with your child trafficking celebrations.

ddjinx2 ddjinx2@gmail.com Mon, May 9, 2016, 4:17 PM to Wendell

Wendell babe you have lost contact with reality. Do you have some friends dear. Where do you live? I do wish you could get better. But I'm glad you are happy. I love you so much

ddjinx2 ddjinx2@gmail.com Mon, May 9, 2016, 4:21 PM to Wendell

I never disowned you. My statement was if you ever hurt a child I wish I would never given birth to you. Children are innocent and do not deserve any adult messing with their minds or body. I never messed with you or Ricky's mind or body except for punishment to teach you Rigby from wrong. Children need security that someone care about their behavior.

Wendell Charles NeSmith wendell@nesmith.net Mon, May 9, 2016, 4:23 PM to ddjinx2

You are all my enemies! You are children of Satan! Please leave me alone! Never speak to me again. Soon FEMA will be taking care of you all. And you will help it. You have no comprehension of the Freemasons and the Illuminati and what they are doing. I tried to warn you all countless time but you called me sick and crazy and disowned me. I don't turn back.

For whoever wants to save their life will lose it, but whoever loses their life for me will find it. Matthew 16:25

ddjinx2 ddjinx2@gmail.com Mon, May 9, 2016, 4:25 PM to Wendell

Wendell, this is all crazy talk. You use the Bible wrongly. Do you have friends? You are getting deeper and deeper into your psychosis. Please tell me more about your life. Did you finish your degree?

ddjinx2 ddjinx2@gmail.com Mon, May 9, 2016, 4:26 PM to Wendell

I will never be your enemy and neither any of your family. Your mind is sick

The Secret Illuminati Covenent:

An illusion it will be, so large, so vast it will escape their perception.

Those who will see it will be thought of as insane. We will create separate fronts to prevent them from seeing the connection between us. We will behave as if we are not connected to keep the illusion alive. Our goal will be accomplished one drop at a time so as to never bring suspicion upon ourselves. This will also prevent them from seeing the changes as they occur.

"We will always stand above the relative field of their experience for we know the secrets of the absolute. We will work together always and will remain bound by blood and secrecy. Death will come to he who speaks.

"We will keep their lifespan short and their minds weak while pretending to do the opposite. We will use our knowledge of science and technology in subtle ways so they will never see what is happening. We will use soft metals, aging accelerators and sedatives in food and water, also in the air. They will be blanketed by poisons everywhere they turn.

The soft metals will cause them to lose their minds. We will promise to find a cure from our many fronts, yet we will feed them more poison. The poisons will be absorbed through their skin and mouths, they will destroy their minds and reproductive systems. From all this, their children will be born dead, and we will conceal this information.

The poisons will be hidden in everything that surrounds them, in what they drink, eat, breathe and wear. We must be ingenious in dispensing the poisons for they can see far. We will teach them that the poisons are good, with fun images and musical tones. Those they look up to will help. We will enlist them to push our poisons.

"They will see our products being used in film and will grow accustomed to them and will never know their true effect. When they give birth we will inject poisons into the blood of their children and convince them its for their help. We will start early on, when their minds are young, we will target their children with what children love most, sweet things.

When their teeth decay we will fill them with metals that will kill their mind and steal their future. When their ability to learn has been affected, we will create medicine that will make them sicker and cause other diseases for which we will create yet more medicine. We will render them docile and weak before us by our power. They will grow depressed, slow and obese, and when they come to us for help, we will give them more poison.

"We will focus their attention toward money and material goods so they many never connect with their inner self. We will distract them with fornication, external pleasures and games so they may never be one with the oneness of it all. Their minds will belong to us and they will do as we say. If they refuse we shall find ways to implement mind-altering technology into their lives.

We will use fear as our weapon. We will establish their governments and establish opposites within. We will own both sides. We will always hide our objective but carry out our plan. They will perform the labor for us and we shall prosper from their toil.

"Our families will never mix with theirs. Our blood must be pure always, for it is the way. We will make them kill each other when it suits us. We will keep them separated from the oneness by dogma and religion. We will control all aspects of their lives and tell them what to think and how. We will guide them kindly and gently letting them think they are guiding themselves.

We will foment animosity between them through our factions. When a light shall shine among them, we shall extinguish it by ridicule, or death, whichever suits us best. We will make them rip each other's hearts apart and kill their own children. We will accomplish this by using hate as our ally, anger as our friend. The hate will blind them totally, and never shall they see that from their conflicts we emerge as their rulers.

They will be busy killing each other. They will bathe in their own blood and kill their neighbors for as long as we see fit.

"We will benefit greatly from this, for they will not see us, for they cannot see us. We will continue to prosper from their wars and their deaths. We shall repeat this over and over until our ultimate goal is accomplished. We will continue to make them live in fear and anger though images and sounds. We will use all the tools we have to accomplish this. The tools will be provided by their labor. We will make them hate themselves and their neighbors.

"We will always hide the divine truth from them, that we are all one. This they must never know! They must never know that color is an illusion, they must always think they are not equal. Drop by drop, drop

by drop we will advance our goal. We will take over their land, resources and wealth to exercise total control over them. We will deceive them into accepting laws that will steal the little freedom they will have. We will establish a money system that will imprison them forever, keeping them and their children in debt.

"When they shall ban together, we shall accuse them of crimes and present a different story to the world for we shall own all the media. We will use our media to control the flow of information and their sentiment in our favor. When they shall rise up against us we will crush them like insects, for they are less than that. They will be helpless to do anything for they will have no weapons.

"We will recruit some of their own to carry out our plans, we will promise them eternal life, but eternal life they will never have for they are not of us. The recruits will be called "initiates" and will be indoctrinated to believe false rites of passage to higher realms. Members of these groups will think they are one with us never knowing the truth.

They must never learn this truth for they will turn against us. For their work they will be rewarded with earthly things and great titles, but never will they become immortal and join us, never will they receive the light and travel the stars. They will never reach the higher realms, for the killing of their own kind will prevent passage to the realm of enlightenment. This they will never know.

The truth will be hidden in their face, so close they will not be able to focus on it until its too late. Oh yes, so grand the illusion of freedom will be, that they will never know they are our slaves.

"When all is in place, the reality we will have created for them will own them. This reality will be their prison. They will live in self-delusion. When our goal is accomplished a new era of domination will begin. Their minds will be bound by their beliefs, the beliefs we have established from time immemorial.

"But if they ever find out they are our equal, we shall perish then. THIS THEY MUST NEVER KNOW. If they ever find out that together they can vanquish us, they will take action. They must never, ever find out what we have done, for if they do, we shall have no place to run, for it will be easy to see who we are once the veil has fallen. Our actions will have revealed who we are and they will hunt us down and no person shall give us shelter.

"This is the secret covenant by which we shall live the rest of our present and future lives, for this reality will transcend many generations and life spans. This covenant is sealed by blood, our blood. We, the ones who from heaven to earth came."

"This covenant must NEVER, EVER be known to exist.

It must NEVER, EVER be written or spoken of for if it is, the consciousness it will spawn will release the fury of the PRIME CREATOR upon us and we shall be cast to the depths from whence we came and remain there until the end time of infinity itself.

My people are destroyed from lack of knowledge. "Because you have rejected knowledge, I also reject you as my priests; because you have ignored the law of your God, I also will ignore your children. Hosea 4:6

My dear, I pray our previous savior does not hold you in judgment for your sick mind. You got it genetically and only our savior can determine how much of it you can control. But my heart will be broken about it until the day I die. Love you wendell.

Friends. Please stop using the Bible and talk to me like a person. Not a robot
