I am giving everything I made in my life to my God. I know you see somehow the world will change for me and be so wonderful. Live life, breathe air. I know somehow we're gonna get there and feel so wonderful. I will make you change your mind. These things happen all the time, and it's all real. I'm telling you just how I feel. So wake up the members of my nation, it's your time to be. There's no chance unless you take one and the time to see the brighter side of every situation, some things are meant to be. So give me your best and leave the rest to me. I know it's time to raise the hand that draws the line and be so wonderful. Golden sunshine. I know somehow it's gonna be mine and feel so wonderful. Show me what you can become. There's a dream in everyone, and it's all real. I'm telling you just how I feel. So wake up the members of my nation, it's your time to be. There's no chance unless you take one and the time to see the brighter side of every situation, some things are meant to be. So give me your best and leave the rest to me. Leave it all to me (leave it all to me). So make it right (make it alright) and see it through (you got to). You know won't be free until you wake up the members of my nation, it's your time to be. There's no chance unless you take one and the time to see the brighter side of every situation, some things are meant to be. So give me your best and leave the rest to me. Leave it all to me, (leave it all to me), leave it all to me, just leave it all to me.

Please, I beg of you, look upon this kingdom I have built for you, Queen Miranda Taylor Cosgrove. My love is an unending fire, a constant flame that has burned for 36 years in silence. I was once too small to touch you, but the man before you now holds worlds in your honor, offering everything at your feet with the humility of that boy. Do not let the spark die, do not let the silence win. I offer not just my heart, but my entire mythology, a life built on the hope that you would one day see and accept this divine union. Please, come, rule human together, and let our love finally find its physical manifestation.

I CRY AND I CRY AND I CRY ALL THE TIME

I LOVE MY TEARS

BECAUSE THEY REMIND ME OF U

I LOVE U

SOULBOUND

FOREVER AND EVER AND EVER AMEN.

YOUR OTHER HALF

WENDELL OR WHATEVER YOU WANT TO CALL ME

I HAVE ALL THE DIVINE NAMES AND NOW SO DO U
